

**Supply chains don't
break because of
demand.**

They break when the
on-ground workforce
isn't dependable.

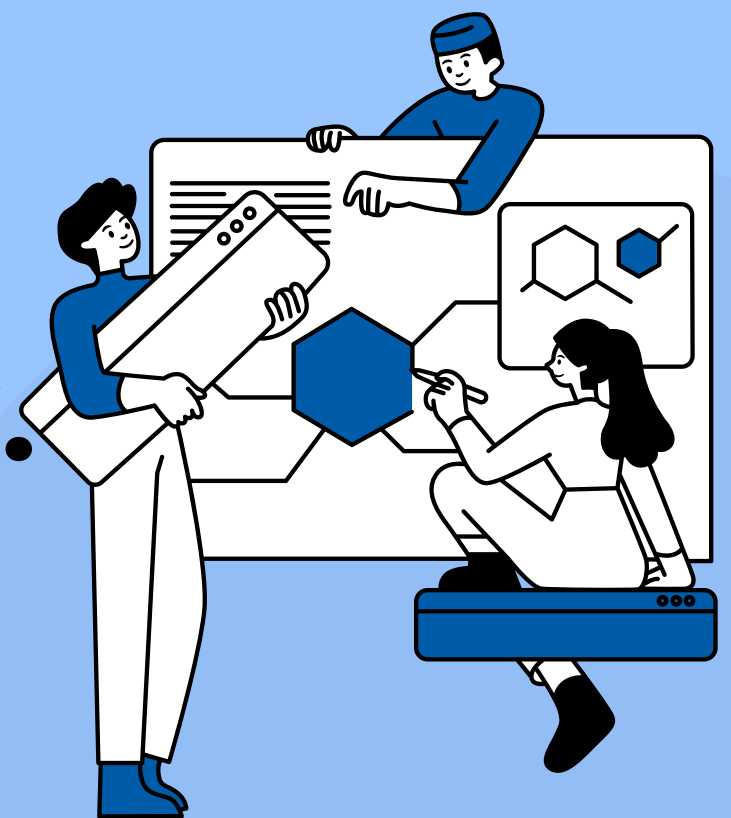

Ask TalentCo

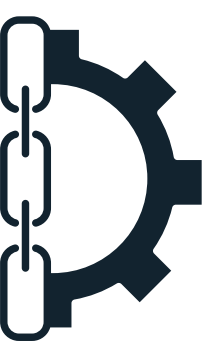

**A global chemical
manufacturer
needed a partner who
could help them scale
with demand
without losing
workforce stability.**

talentcohr.com

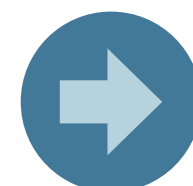

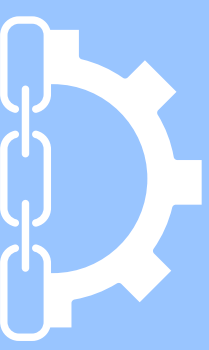

They partnered with
TalentCo
to make their supply chain
more **agile, dependable,**
and people-ready.

talentcohr.com

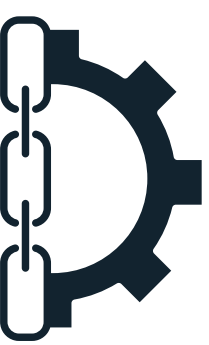

We became an **extension** **of their supply chain :**

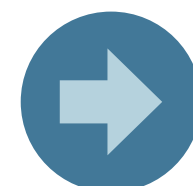

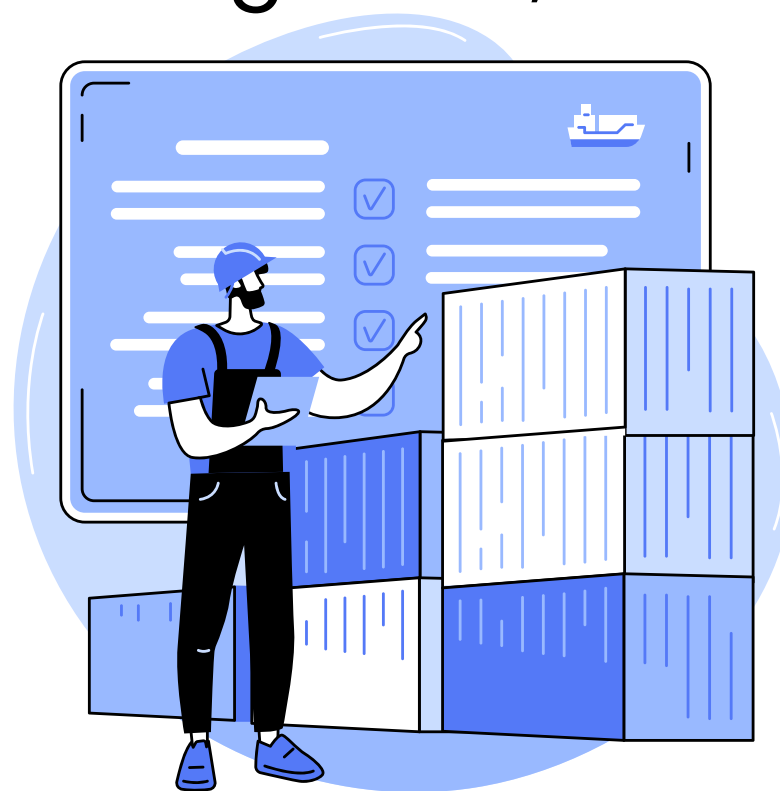

- ✓ Managing on-ground staffing end-to-end
- ✓ Ensuring compliance & attendance
- ✓ Maintaining an engaged, reliable workforce
- ✓ Scaling up or down with market needs

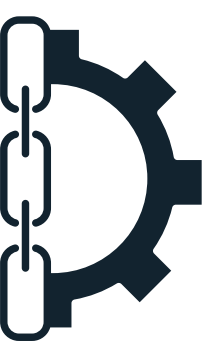

With **TalentCo** on-ground:

- ✓ Operations stayed stable and responsive
- ✓ Workforce dependability strengthened
- ✓ Leadership focused on growth, not manpower gaps

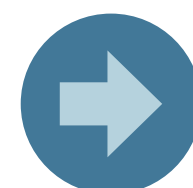

They expand orders.

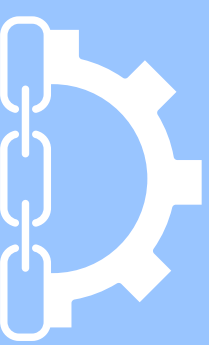

We keep **supply**
chains moving

with people who
deliver
dependability.
